ATTENDEES: Meeting chaired by Dr Wallerstein

MEETING AGENDA/OBJECTIVES:

S, USSC [

Obtained Under the
Freedom of Information Act
by Hans M. Kristensen

- Receive status report on deterring WMD acquisition paper.

MAJOR CONTRIBUTORS:

- Col Shannahan (J-5) provided basic outline of assigned paper (Tab 1).
 - Dr Wallerstein asked if radiological weapons were addressed. Not at this time, but could be added according to Col Shannahan, assuming he could find an expert in that area. Dr Wallerstein suggested that nonstate actors not be addressed here; that should be a separate paper.

S, USSC

- Regional country assessment (outline at Tab 2).

- Mr Wilson (OSD/C3I) indicated that Intel Nonproliferation Center (NPC) draft papers on each region were out and that this group should review accordingly.

S, USSC

- Dr Wallerstein also wants papers to include treaty commitments in region, if applicable, strategic characterizations of countries/actors and installations.

SIGNIFICANT OUTCOMES:

- Working comments to assessments are due to authors by noon, 10 Jan 94. Next review will take place on 12 Jan.
